Report of the Independent Auditor on the Summary Financial Statements

TO THE MEMBERS OF THE FINANCIAL PLANNING STANDARDS COUNCIL

The accompanying summary financial statements, which comprise the summary statement of financial position as at March 31, 2017, the summary statements of operations and cash flows for the year then ended, and the related notes, are derived from the audited financial statements of Financial Planning Standards Council for the year ended March 31, 2017. We expressed an unmodified audit opinion on those financial statements in our report dated July 12, 2017.

The summary financial statements do not reflect the effects of events that occurred subsequent to the date of our report on the audited financial statements and do not contain all the disclosures required by Canadian accounting standards for not-for-profit organizations (ASNPO). Reading the summary financial statements, therefore, is not a substitute for reading the audited financial statements of Financial Planning Standards Council.

MANAGEMENT'S RESPONSIBILITY FOR THE SUMMARY FINANCIAL STATEMENTS

Management is responsible for the preparation of a summary of the audited financial statements on the basis described in the note to the summary financial statements.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the summary financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standards (CAS) 810, "Engagements to Report on Summary Financial Statements".

OPINION

In our opinion, these summary financial statements derived from the audited financial statements of Financial Planning Standards Council for the year ended March 31, 2017 are a fair summary of those financial statements, on the basis described in the note to the summary financial statements.

Note

Applied criteria in the preparation of the summary financial statements are as follows:

- the information in the summary financial statements is in agreement with the related information in the complete financial statements; and
- the summary financial statements contain the information necessary to avoid distorting or obscuring matters disclosed in the related complete financial statements, including the notes thereto.
- the audited financial statements are available upon request.
