Report of the Independent Auditor on the Summary Consolidated Financial Statements

To the Members of Financial Planning Standards Council

Our opinion

In our opinion, the accompanying summary consolidated financial statements of Financial Planning Standards Council (the Entity) are a fair summary of the audited consolidated financial statements, on the basis described in the note to the summary consolidated financial statements.

The summary consolidated financial statements

The Entity's summary consolidated financial statements derived from the audited consolidated financial statements for the year ended March 31, 2019 comprise:

- the summarized consolidated statement of financial position as at March 31, 2019;
- the summarized consolidated statement of operations for the year then ended;
- the summarized consolidated statement of cash flows for the year then ended; and
- the related note to the summary consolidated financial statements.

The summary consolidated financial statements do not contain all the disclosures required by Canadian accounting standards for not-for-profit organizations applied in preparation of audited consolidated financial statements. Reading the summary consolidated financial statements and the auditor's report thereon, therefore, is not a substitute for reading the audited consolidated financial statements and the auditor's report thereon. The audited consolidated financial statements, and the summary consolidated financial statements, do not reflect the effect of events that occurred subsequent to the date of our report on the audited consolidated financial statements.

The audited consolidated financial statements and our report thereon

We expressed an unmodified audit opinion on the audited consolidated financial statements in our report dated July 31, 2019.

Management's responsibility for the summary consolidated financial statements

Management is responsible for the preparation of the summary consolidated financial statements on the basis described in the note to the summary consolidated financial statements.

Auditor's responsibilities

Our responsibility is to express an opinion on whether the summary consolidated financial statements are a fair summary of the audited consolidated financial statements based on our procedures, which were conducted in accordance with Canadian Auditing Standard (CAS) 810, Engagements to Report on Summary Financial Statements.

Note

Applied criteria in the preparation of the summary consolidated financial statements are as follows:

- a) the information in the summary consolidated financial statements is prepared in accordance with Canadian accounting standards for not-for-profit organizations and is in agreement with the related information in the complete consolidated financial statements; and
- b) the summary consolidated financial statements contain the information necessary to avoid distorting or obscuring matters disclosed in the related complete consolidated financial statements, including the notes thereto.
- c) the audited consolidated financial statements are available upon request to the Financial Planning Standards Council.
